Welcome Pack - Introduction by the Principal 2016-17

Dear parents and carers

Raffles World Academy (RWA) is about to enter its 9th year since its foundation. We are still a young school but now reaching capacity and with a healthy waiting list for places in a number of Grades. Although student numbers have increased, what makes RWA special is the ‘family feel’ that parents comment on when visiting the school. Our security systems have been updated and CCTV coverage throughout the public areas of the school continues to expand, contributing to an environment that is safe and welcoming. However, it’s the ‘Open Door’ policy of the school leadership and teaching staff, the gatherings of parents in our cafeteria and in the Al Baraha picnic garden outside that speak to the friendliness of our campus. To put it simply: **‘RWA is a thriving and bustling community’**. The school is a community of learners, where there are opportunities for students, teachers and parents to learn from each other.

The last four years have seen RWA achieve an overall KHDA rating of ‘GOOD’ with an increasing number of ‘very good’ and ‘outstanding’ ratings. We have our eyes on the prize of becoming an ‘OUTSTANDING’ school. To achieve this, we want to build upon the outstanding relationship we have with our parents, not only through the activities of PARIS, our Parents Association, but also through parents volunteering to provide Mother Tongue language support, assist teachers with reading in the classroom, supporting After School Activities (ASAs), helping out with field trips and contributing to the questionnaires that we send out to get *your* feedback. You are always welcome to attend the Information Sessions about the curriculum and how you can help our teachers facilitate learning by understanding what we mean by ‘learning through inquiry’, ‘student-centred learning’, ‘“I can” statements’ and ‘Learning Ladders’. We very much appreciate those parents who volunteer to be Classroom Parent Representatives (CPRs), or who can offer their interest and expertise to develop the school in new and exciting directions. We are all stakeholders and investors in the future through awakening and developing the range of potentials our children have. **This is our privilege.**

There continues to be a major roll-out of new projects and works, including expansion of digital learning in the classroom, improved WiFi coverage, development of the performing arts, new classrooms and play spaces, greater involvement in inter-school and international competitions, both cultural and sporting as well as new and exciting subjects. The development of student leadership and responsibility across all phases is a key feature of our school. Student-led organizations to combat bullying, protect the environment, and commitment to action in the community can be demonstrated through ‘hands on’ support for the Radisson Blu Box Appeal, disaster relief, CAS projects, TEDx and Interact Club visits to SENSES - our local residential special school are just a few examples.

Our commitment to health and safety is reported by KHDA as an outstanding feature. Our busses have radio and CCTV coverage. Our Clinic has our own dedicated doctor and nursing staff. The doctor is also instrumental in supporting health education throughout the school community. Reports about all safety incidents are reported and action taken. Prevention is our watchword.

In December 2015, we achieved the coveted Council of International Schools (CIS) Accreditation. This was the fruit of 18 months of Self Study involving parents, students and teachers. This cooperation by stakeholders has become the

platform for further Parent Focus Groups working with students and faculty to realise the UAE National Agenda goals and to drive on-going school improvement.

RWA is an IB World School, authorised to deliver the Primary Years Programme (PYP) and the Diploma Programme (IBDP) and courses. In Grades 6 to 10, we follow the Cambridge Secondary programme culminating in the internationally renowned IGCSE examinations, accepted by the IB as an excellent preparation for the Diploma which is strong currency for entry to many of the world's best universities. We are also proud to offer individual IB Courses for those who may feel that the full Diploma is not for them. IB Courses are also accepted by colleges and universities.

Whether your child is a student in the Primary or Secondary sections, our curriculum is continuous and integrated. We want our students to think and solve problems rather than memorise and regurgitate facts. We are in the business of creating tomorrow's critical thinkers, problem-solvers and entrepreneurs. We embrace academic rigour with regular, 6 - 8 weekly, assessments to measure individual progression and ensure that our standards are comparable to the very best in international education. Our results, so far, are evidence of this.

We continue to develop support for students for whom English is an additional language. Teachers understand their responsibility as supporting 'EAL in the mainstream' and are also responsible for implementing Individualised Learning Plans (ILPs) for students needing some additional support, which can also include Talented and Gifted (TAG) students.

This Welcome Pack aims to provide you with the essential information you need to make your child's transition to a new school and/or new class smooth and as free from stress as possible. Please go through it and contact us in good time if there are any worries or confusions - or just if you feel you need assistance. The Admissions Office and our Administrative team are here to help and so is the senior leadership team in both Primary and Secondary schools.

My team and I would like to thank you for making **Raffles World Academy** the school of choice for your child and look forward to meeting you.

Very best wishes

Julian Williams

Student's Registration within Dubai Knowledge and Human Development Authority (KHDA)

A constructive partnership between the school and parents is key to ensuring that students' well-being is at the core of their educational experience. It is beneficial for all concerned if this partnership is based on agreed terms and conditions set out clearly in a contract form that KHDA has introduced as a Parent School Contract for all schools in Dubai.

PARENT SCHOOL CONTRACT (PSC)

Parents and students of age 15 years and above, are required to sign the Parent School Contract for each academic year (this is a mandatory KHDA requirement). On receipt of KHDA's confirmation of the registration of the student for the academic year, parents will receive notification from the Admissions Office to visit the school in order to electronically sign the PSC. Alternatively, you may complete this formality online as well at link <https://www.khda.gov.ae/khdaparentportal/#/login>(Refer Annex 1 below).

Please note the PSC requires to be signed by parents and students of age 15 years and above every academic year.

Failure to comply with this mandatory requirement by the KHDA will cause suspension of the student from attending classes and the student's registration or re-registration with the school stands at risk.

REGISTRATION OF THE STUDENT ON THE KHDA SYSTEMS AND APPROVAL OF ADMISSION:

(Swiping of the Original Emirates ID of the Student and one parent at the electronic machine at the Admissions office)

Parents are required to register theirs and their child's latest Emirates ID (EID) details with the school before the Parent School Contract is signed. Any changes to the EID's require to be updated on the systems each academic year for the PS contract for that year to be generated by KHDA for the parent to sign. Please visit the Admissions Office to electronically swipe the original ID cards at the electronic machines placed at the office for this purpose. Kindly carry the original Emirates ID cards and a mobile when you visit the admissions office to complete this formality. On Registration, the Parent School Contract will be generated in the KHDA system for you to sign and the school will keep you informed of the same.

Completion of the above is a KHDA mandate for official recognition of the student's registration with the school. The above documentation is prescribed by the Dubai Government for legitimate residence in the country and proper registration in a Dubai School.

Failure to comply may result in the school taking punitive action as mandated by the KHDA, and this may range from temporary suspension to cancellation of admission.

In case you face any exceptional circumstances causing a delay in attaining an Emirates ID for yourself or your child, please provide the admissions office with **official documentary evidence** for submission to KHDA.

Transfer Certificate

All Overseas School transfers and transfers from schools of other Emirates(not Dubai) joining Grade 2 and above at the beginning of the academic year MUST supply the RWA Admissions Office with a copy of the Transfer /Leaving Certificate stamped/ attested as per the requirements of the KHDA, before joining the school. After the start of the academic year and after 15th. November all overseas students and students from other Emirates require to submit the same with a 30 day validity (this includes KG & Grade 1 students as well).

This document is compulsory for registering students with the Knowledge and Human Development Authority (KHDA) who regulates Private Schools within Dubai. Failure to supply the correct documentation, inhibiting this registration process, will lead to steps being taken which may result in non-promotion of the student at the end of the academic year, school reports being withheld and non-issue of any documentation from the school should the student leave.

What is a Transfer Certificate?

A Transfer Certificate (TC) is not the same as school records, reports or school transcripts. A TC should clearly state to which grade/year a student is promoted at the end of the year (if enrolling in September), or in which grade/year the student is currently enrolled (if enrolling midyear). Please use the sample provided (see next page) to assist your school in composing a TC if they are unfamiliar with the requirements.

Which stamps do I need for my Transfer Certificate?

These are dependent on the location of the school from which the student is transferring and the date of transfer, typically:

North America, West Europe, Australia or New Zealand, North Europe	School stamp and signature only
Middle East (except the UAE), South and Central America, Asia, former Soviet States, Eastern Europe and Africa	School stamp and signature
	Ministry of Education (in the country of the school's location)
	Ministry of Foreign Affairs (in the country of the school's location)
	UAE Embassy (in the country of the school's location)
GCC Countries (Oman, Kuwait, Qatar, Saudi Arabia, Bahrain)	Ministry of Education (in the country of the school's location)
Another Emirate of the UAE	School stamp and signature (TC must be in Arabic)
Dubai	Not applicable

It should be issued by the school which the student is leaving from, prior to joining RWA.

Any problems in obtaining a Transfer Certificate, or the correct stamps, must be referred to the Admissions Office at the earliest convenience.

The information it must contain is:

STUDENT PLACEMENT

The correct grade/year level for students is identified through consultation with the Admissions Team. It is our intention to always place students in the grade/year level most appropriate for them to thrive both academically and socially in their new environment.

During this phase the following will be taken into account:

- a) Previous schooling to date and student's previous school reports
- b) Assessment test results (and interview if applicable)
- c) Age of student (as on 31st. December)
- d) Information provided on the student's Transfer Certificate
- e) Regulatory body of UAE- KHDA requirements

Schools around the world use different numbering conventions as well as follow different curriculums. It is common to find North American schools and those following the US Curriculum using a 12 grade/year numbering format, and British schools and those following the National Curriculum for England and Wales using a 13 year numbering format. In addition, there are other numbering conventions as well as those mentioned.

In the UAE there are many schools offering different curriculums and following different numbering conventions. Below is a table indicating the numbering convention and the equivalent numbered class in schools following a 13 year numbering convention.

RWA currently follows the 12 grade system but may soon follow the 13 year system subject to KHDA approval.

(Refer Table- A below).

Typical Age of Student	12 grade system	RWA -Currently (12 grade system)	13 year system, followed by some schools

The ages shown here are typical, and there may be occasional exceptions. The age cut off date is as on 31st. December of that academic year.

RWA is planning to change the nomenclature of its student placement system, i.e. to move from 'Grades' to 'Years' in the next academic year 2016-17.

Class / Homeroom

At the end of each academic year, it is the school's policy to ensure an even spread of age, gender, nationality and ability across the classes. It also helps to ensure that new children who are joining us to have the chance to make friends and that existing students are able to expand their social network.

Classes are composed by the Principal and Academic Team who endeavor to ensure that each student is placed with some familiar students (if already enrolled), while also being in the right group for his or her specific requirements.

Requests from parents for particular teachers or classmates will not be entertained as it disrupts the process stated above and may result in students being placed in inappropriate groups.

TRANSPORT

Raffles World Academy has contracted Arab Falcon Bus Rental LLC, a reputable transportation company which is being used by a number of schools in Dubai to ensure that we are providing our students a safe, reliable and professional transport service.

Whilst every effort will be made to accommodate all requests, the decision on whether the student is being allocated a seat rests with Arab Falcon Bus Rental which would depend on whether there is available seat on existing buses and the student resides along the planned bus routes.

If you require transportation services kindly fill the form that is available on our website or at the reception and return to transport office in school or email it to csr.rwa@arabfalcondubai.ae or fax it to 04 4271301.
