

## **RWA Fever policy**

Please do not send your child to school if his/her temperature is 100 degrees Fahrenheit/ 37.8 Celsius or higher.

In case you child develops fever at school; parents/guardian will be notified and are required to pick up their child from the school clinic within an hour. Students with fever will not be sent home on the bus.

The Centers for Disease Control (CDC) recommendation for children who are sick with fever or flu like symptoms:

Keep your child at home for at least 24hours after fever is gone without the use of a fever-reducing medicine.
